OUR ACADEMY

Founded in 2015, The Inspire Academy is an accredited foreign language training center. It was established by Maryam Igram, a Canadian-American language teacher.

The Inspire Academy offers courses in various languages as well as language immersion programs during school holidays.

We welcome students from all over the world to the beautiful Basque Country to learn the language of their choice and immerse themselves in the culture and lifestyle of the southwest of France.

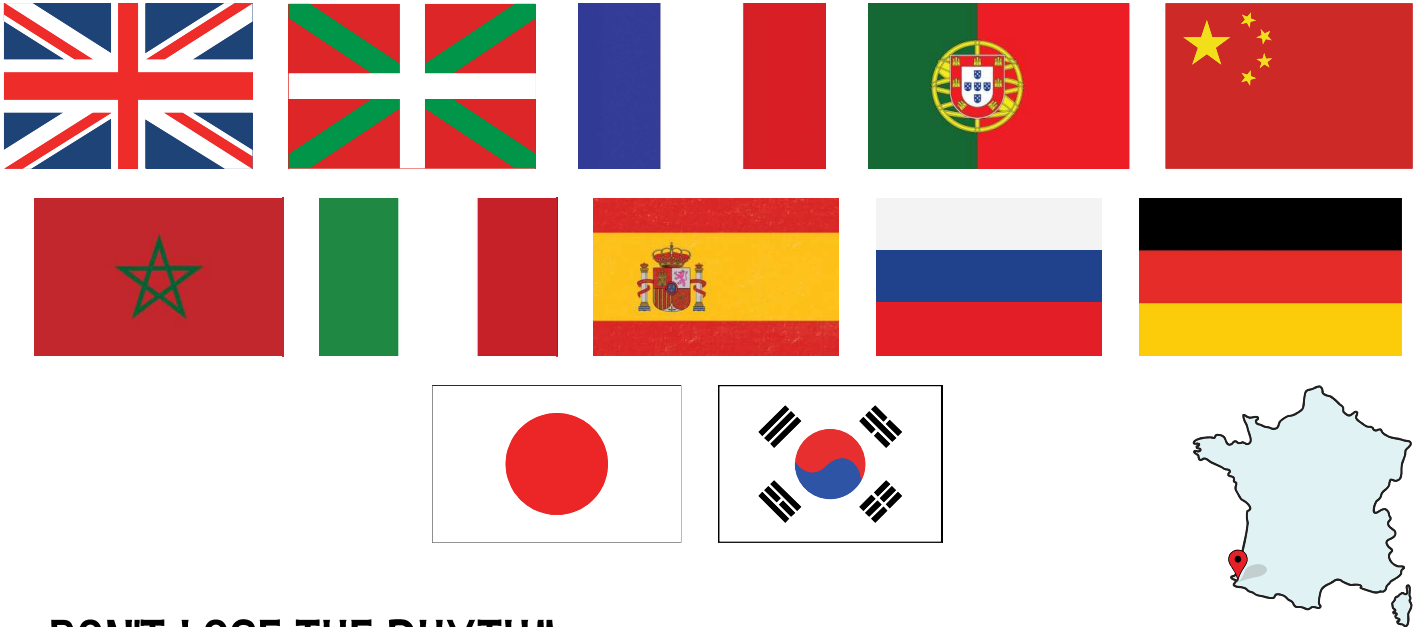

Our training methods are unique, as we engage in fun and interesting activities, both indoors and outdoors, while learning new languages with our native and highly qualified teachers.

We can walk, visit historical sites, swim, skateboard, surf, hike, and chat, learn music, art, or public speaking. It all depends on the students' interests, skills, language level, and goals.
